## RECONSTRUCT YOUR HEART!

How's your heart?  
Apparently, my Doctor is concerned about mine.

She's sending me for a stress test. My family history supports her concern. So, truth is, I have a 'heart condition.'

But then, don't we all?

As Christians, our heart's condition depends on the things we allow into our heart. These things form our thoughts and attitudes, and ultimately, shape the deepest part of our being. No matter what our circumstances (outside) are, if our heart (inside) is right, we're going to be okay.

Therefore, we need to check our heart a lot more often than we do. Because many times, believers can go through the motions and keep doing the "Christian thing," but something has crept into their hearts and is hurting them and others.

It's not up to me (Pastor), your parents, your siblings, your neighbours, or your friends to guard your heart. The verse at the top left says **YOU** need to guard your heart'.

And I'm sure you realize that this is a full-time job because we don't know what's going to come up. Somebody may say something that hurts you, disappoints you or lets you down. Then suddenly, there's a wound in there that needs to be dealt with.

And since you don't know, you have to constantly be working with the Holy Spirit to keep your heart right.

As we **Recognize** our Condition; **Repent** of Sin and strive to **Resemble** the Saviour, then the Holy Spirit will **Reconstruct our Heart**.

And so, our prayer should be

{ **Change my heart O God,  
Make it ever true.  
Change my heart O God  
May I be like You.,**

*Major Gerry Cory, Corps Officer, Ottawa Citadel*

## 75. The Body is the Temple of the Spirit

“Everything is permissible for me” but not everything is beneficial, “Everything is permissible for me” – but I will not be mastered by anything. Food for the stomach and the stomach for food” – but God will destroy them both. The body is not meant for sexual immorality, but for the Lord, and the Lord for the body. By his power God raised the Lord from the dead, and he will raise us also. Do you not know that your bodies are members of Christ himself? Shall I then take the members of Christ and unite them with a prostitute? Never! Do you not know that he who unites himself with a prostitute is one with her in body? For it is said, “The two will become one flesh.” But he who unites himself with the Lord is one with him in spirit.

Flee from sexual immorality. All other sins a man commits are outside his body, but he who sins sexually sins against his own body. Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God? You are not your own, you were brought at a price. Therefore honor God with your body.

1 Corinthians 6:12-20 NIV

## WHAT GOOD LEADERSHIP LOOKS LIKE (Source: *Center for Creative Leadership*)

The CCL summarizes our return to this topic as follows: *Based upon our decades of research and experience working with leaders at organizations around the world, we've found that the best leaders consistently possess certain fundamental qualities and skills. Here are 10 essential leadership traits:*

1. **Integrity** – we need to reinforce the importance of honesty and integrity to leaders at various levels.
2. **Delegation** – one of the core responsibilities of a leader... because it can facilitate teamwork, provide autonomy and lead to better decision-making.
3. **Communication** – the best leaders are skilled communicators who are able to communicate in a variety of ways, from transmitting information, to inspiring others to coaching direct reports.
4. **Self-Awareness** – (the effective leader must monitor the impact of his or her actions on the group and must include a willingness to listen to what group members are saying about what is taking place.)
5. **Gratitude** – Being thankful can lead to higher self-esteem ... and reduced depression. The best leaders know to show gratitude *to their group members*.
6. **Learning Agility** – is the ability to know what to do when you don't know what to do... anybody can foster and increase learning agility through practice, experience and effort. After all, great leaders are really great learners.
7. **Influence** – being able to convince people through the influencing tactics of logical, emotional or cooperative appeals is an important trait of inspiring, effective leaders.
8. **Empathy** – is an important part of emotional intelligence and leadership effectiveness.... Empathy and inclusion are imperatives for improving ... conditions for those around you.
9. **Courage** – whether you want to voice a new idea, provide feedback to a direct report, or flag a concern for someone above you, courage is a key trait of good ideas. Rather than avoiding problems or allowing conflicts to fester, having courage enables leaders to step up and move things in the right direction.
10. **Respect** – Effective leaders treat their teams with respect, which can help them gain respect in return. Effective leaders show their respect by empowering their team to make decisions and use their expertise to achieve goals. *Remember, the leader of a group isn't the only person with ideas and answers.*

**Editorial Comment:** Being an effective leader is not “rocket science”. It is all about using the skills and personal traits you possess to encourage the members of your group to do their best and provide them with an accepting atmosphere that encourages them to contribute their skills and ideas to the group. A library of skill sets and traits such as the ones listed above from the Center for Creative Leadership will be helpful.

### Did You Know?

**Fact: The world's oldest wooden wheel has been around for more than 5,000 years**

It was found in 2002, approximately 12 miles south of Ljubljana, the capital of Slovenia, and is now housed in the city's museum. Radiocarbon dating was used to determine the wheel's age, which is somewhere between 5,100 and 5,350 years old. (Readers' Digest)

## UPDATE on BUILDING ISSUES

Your Building Advisory Committee (BAC) met on the afternoon of January 28<sup>th</sup> and reviewed several issues. Among the topics discussed were:

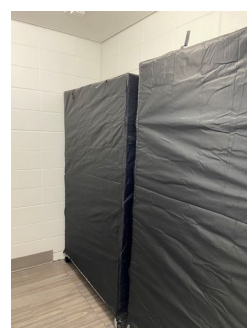

- **Soffit Replacement Project:** Bids were received from two companies and one was selected to complete the work once weather permits. This replacement has become quite urgent this past year.
- **Building Security and Lock/Key Upgrades:** Kudos to CSM Linda for pursuing this matter. New keys are now being distributed following the replacement of tumblers and lock mechanisms.
- **The Status of the HV/AC Roof Units.** Of particular interest was the significant cost of repairs apparently needed to the unit serving the south side rooms. The servicing company has been challenged to further explain those repairs. This has been resolved.
- **The Status of the Programmed Replacement of the HV/AC Units was Revisited.** It was determined that the time had come to meet with the area manager of the company to discuss the concerns about the quality of service in recent months.
- **The Roof Access Ladders have now been Installed:** This was a legal responsibility for our Corps as the lack of the ladders was categorized as a "Health and Safety" Issue.
- **CSM Linda Updated the BAC on the Progress on the Replacement of the Kitchen Dishes Storage Cupboards:** This phase is now complete. The existing storage cupboards between the Kitchen and the Fellowship Room were removed and stainless steel metal units were installed for the Kitchen dishes.. (See photos below:)

## Continuing Series – Salvation Army Song Writers #6

As we move into the next two musicals created by John Larsson and John Gowans, we encounter the creation of “Spirit”. This musical in particular proved to be especially attractive to many other Christian denominations. In Ottawa, for instance, one of the large Pentecostal churches did a major production of *Spirit* with many performances.

Although only a few songs from these musicals are still included in our Song Book, this is only an indication that in the subsequent revisions, some of the songs had to be deleted to make room for newer music.

### *Jesus Folk* (1972)

Songs from *Jesus Folk*:

- Jesus Folk
- I Don't Remember
- I am the Resurrection
- Out My Darkness (#515 in Song Book)
- He Came to Give Us Light (#139 in Song Book)
- Show Us the Father
- Is there Anyone Here with an Answer?
- He Speaks
- I'm a Rat
- Must I Just Stay the Way I Am?
- Follow Me
- The Crucifixion
- You Know that I Love You  
(Songsters sang this as their selection on March 2<sup>nd</sup>)
- There's No Other Name (#96 in Song Book)

The Salvation Army musicals had an impact on participants and audiences alike. As a new genre in the '60s and 70s especially, they appealed to expressions of human characteristics, directing non-Christians as well as believers to the power of Christ and the Holy Spirit.

### *Spirit* (1973)

Songs from *Spirit*:

- What Does the Spirit Say?
- Love Cannot Fail
- Here is a Man
- Damascus
- To Be Like Jesus (#328 in Song Book)
- If the Spirit Says Go
- For the Mighty Moving of the Spirit (#319 in Song Book)
- The Fruit of the Spirit
- Father, Heavenly Father
- For Jesus' Sake
- In Me
- Burning, Burning (#317 in Song Book)
- Ask, Seek and Knock (#744 in Song Book)

This musical was especially significant for the people of Ottawa Citadel. The Corps Officers at this Corps in 1974 were Majors Dave and Beverly Ivany - a very gifted couple. Under the leadership of Major Bev, a large cast was assembled and a regular schedule of rehearsals was struck. The Ottawa Citadel “troupe” presented five performances of *Spirit* in Ottawa and throughout the Division. It was a blessing for everyone who participated as well as those who attended the performances.

Although many of the songs were beautiful and/or uplifting, one that was especially inspirational was from *Spirit* – *To Be Like Jesus*. Here are the words:

To be like Jesus!  
This hope possesses me,  
In every thought and deed,  
This is my aim, my creed;

To be like Jesus!  
This hope possesses me,  
His Spirit helping me,  
Like Him I'll be.

## *February 8 & 9*

For the first time in several years, we could actually celebrate with lots of snow! This added an important dimension to the outdoor activities as can be seen in many of the photos below. ## *Highlights from Ottawa Citadel Mission Board Meeting*

Our Mission Board met on Wednesday, February 5<sup>th</sup>. The following observation was drawn from Major Gerry's devotional based on Paul's farewell to the Ephesians: *"We thank God for those who have influenced and shepherded our Christian Walk and pray that our influence as Church leaders and shepherds at Ottawa Citadel will be strong and true."*

Listed below are a few excerpts from the Meeting *Record of Discussion*. If you would like more details about the topics noted or you wish more information about the meeting in general, please consult the full *Record of Discussion* posted on the bulletin board in the back hall of the Corps or speak to one of the Mission Board Members listed on Page One of this edition of the *Contact*.

- **Budget Plans for 2025-2026** – Discussion took place around the topic of increased expenses and their impact on balancing income with the increased demands.
- **Plans for the 2025 Winter Weekend** – were shared. As was demonstrated, the event was highly successful.
- **Ottawa Citadel / Salvation Army Ottawa Ministry's 140<sup>th</sup> Anniversary** – will be celebrated on the weekend of May 24<sup>th</sup>-25<sup>th</sup>. Discussion regarding leadership of various committees to plan the event took place.
- **Re-establishment of the *Shepherding Program*** – Training and preparations of shepherds is being planned as well as promotion of the program for the entire congregation. Jordan is overseeing the entire program.
- **Planned Youth Retreat** – Due to fact that the Circle Square Ranch was not available for the event on February 13<sup>th</sup>, it has been rescheduled to October 24<sup>th</sup> & 25<sup>th</sup>.
- **English Conversation Classes** – this is one of the Corps programs that is going well and may be expanding to support family members from one of the Consulates here in Ottawa
